Dear CoBank Stockholder:

The CoBank Nominating Committee has slated the enclosed list of candidates for the 2024 director elections being held in the Central, East, Mid Plains, and South voting regions.

In mid-July, CoBank will send a packet of election information which will include qualification and other background information for each candidate in your region together with a ballot to cast your vote. You will have approximately 60 days in which to review the material and vote online on CoBank's voting website or return your ballot by mail. For informational purposes, we will also include the candidate biographies for all voting regions.

Pursuant to CoBank's Bylaws, any individual who participated in the nominating committee process but was not slated through that process may petition to have his or her name placed on the ballot by gathering a specified number of signatures from voting stockholders located within the voting region in which such individual resides. Voting stockholders include customers who have a right to vote pursuant to CoBank's Bylaws. Petition candidates have until July 1, 2024 to complete the petition process. Any individual wishing to utilize the petition process should contact M. Mashenka Lundberg, Election Officer, at (303) 793-2228 or at mlundberg@cobank.com, or Bradley J. Maddock, Corporate Secretary, at (303) 793-2241 or at bmaddock@cobank.com.

Also enclosed are a map of CoBank's voting regions together with a list of the members of the 2024 Nominating Committee. Under CoBank's Bylaws, the Nominating Committee is comprised of customer representatives and former CoBank directors who are independent of CoBank's board and management. The entire Nominating Committee appreciated the opportunity to be of service to CoBank and its stockholders.

Thank you for your interest in CoBank and this essential part of its governance process.

Sincerely,

A handwritten signature in cursive script that reads "Susan L. Tronchetti".
